

The background of the slide is a complex, abstract fractal pattern. It consists of numerous thin, overlapping lines in shades of red, orange, and yellow, creating a sense of depth and movement. The lines are most concentrated in the lower right quadrant, where they form a dense, swirling structure, and become sparser towards the top and left. The overall effect is reminiscent of a digital fire or a complex network of connections.

The background of the entire image is a complex, abstract pattern of glowing red and orange lines. These lines are thin and wispy, resembling smoke or energy trails, and they swirl and flow across the black background. The colors are most vibrant in the lower right quadrant, where they appear as bright, fiery streaks, and become more subtle and darker towards the top and left.

Westcoast...
